

Queensland Electricity Commission Oral History

Accession number OH49

Author / Creator

Queensland Electricity Commission

Abstract Ten interviews regarding the history of the Queensland Electricity Commission and the industry

Scope and content Information from past employees regarding the history of the Queensland Electricity Commission and the electricity generation and supply industry in Queensland. including: how industry changes and developments affected their working lives, impressions of change within the industry, views of and reactions to major events and achievements, and contrasting the technical past with the technical present.

Description 10 oral histories (18 audiocassettes; 8 transcripts)

Administrative / Biographical history The project was initiated within the Queensland Electricity Commission by Public Relations Officer Peter Lindley in conjunction with Brian Beconsall (Senior Engineer Transmission Co-ordination), as a continuation of the work carried out during the centenary of the Electricity Industry in 1988.
